Dear family Rokita, dear Kathie,

In 2008 my choir adopted te grave of John Stanley Rokita at American War Cemetry Margraten (The Netherlands).

Only recently I found a picture of him. He was such a handsome young man, who gave his life for us.

On our website <http://www.gemengdkoorneerbeek.nl> you'll find some photo's of us, singing by his grave.

Go to the heading "oorlogsgraf Margraten" and you'll find them there.

We're thrilled we found some relatives who are still alive and we would love to hear from you.

It would be so nice to find out more about John; what kind of person he was etc.

Furthermore, we would like to learn about his family.

Sincerely,
Ingrid van Vugt
