# Certificate of Commemoration

With this certificate we honor and commemorate

**Pfc John S. Rokita**

**47 INF 9 DIV**

He was killed in action on **April 1 1945** during World War II and gave his life for liberty in Europe and for peace in the world. Since March 1945 US soldiers are commemorated by local citizens through an adoption program.

This certificate confirms the warm and good relationship between the adopter, the mixed choir Neerbeek, in the Netherlands and the next of kin in the United States of America.
